Using a dictionary, look up the meaning of the words. On a separate sheet of paper, do the following.

1. Write the definition of each word.
2. Write a sentence for each word

Read the story below.

Dogs do many funny things. For example, when they get wet, they like to wait until we are standing right beside them, and then they shake water all over us! Why do they do this? We really don't know. Some people say that dogs really do not like being wet, and this is their way of telling us. Another idea is that they are having so much fun, they want to share it with us!

Answer the questions. Fill in the circle beside the correct answer, or write the answer on the lines provided.

1. This story is about:
 - why dogs shake water on us
 - giving a dog a bath
 - why dogs are funny

2. What might be one reason that dogs shake water on us?
 - They want to share the fun.
 - We are standing too close to them.
 - They don't have a towel.

3. Why do you think that dogs shake water on us?

Read the story below.

Brandon had been fishing all morning. He had not caught any fish, and he was hungry. "I am going to get something to eat," he said. Brandon walked away. His little sister Michelle came over and picked up Brandon's fishing pole. Suddenly, it bent. A fish! Michelle pulled in a big fish. When Brandon came back, he was sorry he had left his pole.

Answer the questions. Fill in the circle beside the correct answer.

1. Why did Brandon leave his fishing pole?
 - He was sleepy.
