

March 12, 2014

Dear Parents,

Open House is on Friday, March 29th. This year the theme is “**Technology**”. Our class chose “**Transportation Technology**”. This month will be dedicated to learning how all transportation depends on *technology*, whether it’s the wheel, the jet engine or the computer chip.

***The first part of the assignment will be to complete a Picture Collage.

Picture Collage (size 9X12)

The children will have to use a camera (technology) and take pictures of the vehicle that they come to school in. They need to take 6-8 pictures (at least) and add a caption (typed by the child). The pictures should cover the front, side, back and inside of the car (dash board, car electronics such as GPS, entertainment, etc)

Turn in the project by **Thursday, March 21st**

***The second part of the assignment will be to do a **Diorama**. (any size shoe box)

Your child _____ chose _____ transportation as his/her choice. The children may use any art materials available at home to create the model/replica.

The **Diorama** will be due at the end of the month **Wednesday, March 26th**.

Please be **CREATIVE**.
Have fun!

Name _____

Three-digit addition and subtraction with and without regrouping

Crack the Code

Read the word pairs.
Use the code to write the number.
Add or subtract.

A = 1	B = 2	C = 3	D = 4	E = 5	F = 6	G = 7	H = 8	I = 9
J = 1	K = 2	L = 3	M = 4	N = 5	O = 6	P = 7	Q = 8	R = 9
S = 1	T = 2	U = 3	V = 4	W = 5	X = 6	Y = 7	Z = 8	

1. AIR $\begin{array}{r} 11 \\ 199 \\ + 711 \\ \hline 910 \end{array}$

 + GAS + $\begin{array}{r} 711 \\ \hline \end{array}$
